

How to find your handicap

- A. Firstly find your GA Handicap
 - a. Logon to Golf Australia website: golf.org.au. (There is also a link on the Home page of our website).
 - b. Log in to your account. Sign up if you don't have an account.
 - c. From the menu at the top, select "Handicap Look-Up"
 - d. Your GA Handicap should appear. (If you know someone else's Golf Link number you can look up their handicap also).
- B. Notice the Daily Handicap Calculator
 - a. Enter the "Golf Course": eg. Sandringham GC
 - b. "Select Tee": eg. Purple, Men, 18 Holes OR Orange, Women, 18 Holes
 - c. Click "Calculate"
 - d. Your Daily Handicap is displayed.

NOTE: There's an App called The Clubhouse which is similar to Handy Cap except that it doesn't calculate the Daily Handicap (maybe one day it will). It shows the GA Handicap but you then need to look-up the Daily Handicap for the course you are playing.
