

SANDRINGHAM GOLF CLUB

Perpetual Founders' Shield

This Shield was donated in 2016 by the late Ken Leverton to honour the founding members of the Club. Ken was a 16 year old member when the Club was founded in September 1937. He was Club Champion in 1955, 1956 and 1959, and Captain from 1959 to 1961.

The winner each year is the member with the lowest aggregate nett stroke score from their best 6 rounds on the 8 VGL medal days. If scores are tied for the 6 rounds, the 7th best nett score will be used for countback purposes, and if still tied the 8th nett score. If there aren't comparable 7th or 8th rounds or if scores are still tied then a stroke playoff is required. Countback rules apply if the playoff is tied. The playoff can be played as part of an SGC competition.
