## Ray Fraser Memorial Trophy (Pairs Aggregate, Stableford)

This perpetual trophy is named after a former Secretary (1963-66) and Captain (1984-85), Ray Fraser, and is awarded to the winning pair.

Players enter in pairs to play 18 holes of Stableford. Players must enter on the entry sheet provided in the competition room. The pairs must play together so it is important to choose your partner prior to the event. The winning pair is decided by the aggregate score of both players' individual cards. In the event of ties, the countback rules will determine the winning pair.

A player can only belong to one pair.

Each player must return their individual scorecard, appropriately marked (preferably not by their partner). Do NOT use a single scorecard for the pair. Each player's score is entered in Golf Link to update handicaps.
