Ignore any leading zeros

For example 30224**00123** would be 123

If your home club is elsewhere, you will have been issued a member number for Sandringham.

The screenshot shows the login interface for the Sandringham Golf Club. At the top left is the Victorian Golf League logo. A navigation bar contains links for Home, About OneGolf, Contact, and Download fact sheet. The main heading reads "Welcome to Members of Sandringham Golf Club". Below this are two input fields: "Username:" and "Password:". The "Username:" field is empty, and the "Password:" field is also empty. To the right of the password field is a blue "LOGIN" button. Below the input fields is a section titled "Login Details" with a sub-heading "Password". The text explains that the username is the member number and the club provides a temporary password. It also states that users will be prompted to change their password and provides guidelines for password creation: minimum seven characters, including one lowercase letter, one uppercase letter, one number, and one symbol, and cannot contain the username/member number. Below this is a "Terms and Conditions" section with a link to the full terms. At the bottom, there are links for "Forgotten your password?" and "Need help logging on?".
