

Les Stainsby Memorial Trophy

[\(view full image\)](#)

This individual Stableford single day event is named after former Life Member and Committeeman, the late Les Stainsby. The event is open to all club members over the age of 60 at the time of the competition.

The competition is run in parallel with the regular Saturday Stableford competition. All members over 60 are automatically included in the competition for the Les Stainsby trophy.

Scores are calculated automatically in MiScore and countback is performed by the system. The physical trophy for this event (pictured above) has been retired. The winner receives \$60 prize money and an engraved medallion presented at the AGM. If the winner of the Les Stainsby competition has won a prize in any grade of the regular Saturday competition or is the outright winner of the day, the \$60 prize for the Les Stainsby is not awarded but the medallion still applies.
