

The Olympic

This new trophy event was introduced in 2024 and is a competition over three consecutive weeks. It is designed to find the best player across the 3 main formats of individual competition, namely Par, Stableford and Stroke

The event is held towards the end of the playing year and the sequence of competitions is defined by the Fixture for that year

This event is open only to club members who must compete in all 3 rounds to be eligible. It is run in conjunction with the regular Saturday competition.

To qualify, players must participate in round 1 and place in the top 50% of the field. For round 2, the field is reduced by another 50% with the winner in round 3 placing the best score. In the event of a tie, MiScore will calculate the winner by countback.

The winner receives \$100 prize money and an engraved medallion presented at the AGM, although depending on the date of the final round, this may be presented at the following year.
